

THE TIME IS NOW TO TAKE A STAND

Higher Education Partnership

The Higher Education Partnership (HEP) will advocate the importance of higher education in bettering the lives of people in Alabama.

WHAT DOES THE PARTNERSHIP MEAN TO YOU?

HEP can change the current negative trends in support for higher education and help move our universities into the twenty-first century stronger than ever. HEP will provide a base to unite our constituency to ensure that our universities remain strong and viable, enabling them to provide quality education for generations to come.

THE UNIVERSITY OF ALABAMA SYSTEM POLITICAL ACTION COMMITTEE

The University of Alabama System Political Action Committee is designed to give supporters of The University of Alabama a means of supporting state leaders who have a genuine concern for the needs of higher education. It provides hope for the future of Alabama's universities. In order for universities to receive adequate funding, provide salary increases for faculty/staff, and maintain affordable tuition for students, UASPAC is here. The success of the UASPAC depends on your support **
