

Report of Legislative Affairs Committee

Reporting Date: 9/19/2000

UA Faculty Senate

A first draft of the legislative plan 2000 has been prepared by the Chancellor and his legislative staff. The Executive committee of the Legislative Agenda Committee expects to receive a copy for comment in the next few days and will then set a date for the entire Leg. Agenda Committee to review the plan and prepare campus based strategies.

It is clear that among the priorities will be the following:

1. 2:1 funding
2. Growing the relationships with our alumni
3. Growing a relationship with the business community
4. Growing the membership and participation in the Higher Education Partnership and the UAS PAC

Please feel free to invite us to talk to your departments/ divisions about these initiatives. We are particularly concerned about the impact of the 204 legislation on our next years budget.
