Professor Helga Visscher distributed a Code of Conduct for the University Libraries. She stated that these policies were developed as a result of problems with student behavior in the libraries such as excessive noise.

Dr. Finley indicated that he plans to streamline the subcommittee arrangement. Members were asked to bring ideas for the subcommittee structure to the next meeting. So far, diversity and SGA were identified as areas needing committee members. Finley also mentioned that it has been suggested that the committee look at the level of campus outreach. They will work collaboratively with Valerie Phillips, Director of Community Service, to study student outreach efforts, and provide suggestions for expansion.
