ABSENT WITH ALTERNATE: None.

GUESTS: Cresandra Smothers, Dialog; Abby Holthaus (guest of Melondie Carter)

Roll call and quorum check by Faculty Senate Secretary Rona Donahoe. Information packets were distributed to the newly elected senators.

The minutes of the March 19, 2013 Faculty Senate meeting were approved.

President's Report – (*Steve Miller*) The Faculty Senate Steering Committee has been meeting with candidates for the positions of UA Provost and UA Vice President for Research. President Miller introduced past Faculty Senate presidents.

Newly appointed Faculty Senate committee members will have ongoing and new pertinent issues to address in the fall.

President Miller began the meeting with reciting the following poem:

DID I MISS ANYTHING?

Tom Wayman

**Nothing. When we realized you weren't here
we sat with our hands folded on our desks
in silence, for the full two hours.**

**Everything. I gave an exam worth
40 percent of the grade for this term
and assigned some reading due today
on which I'm about to hand out a quiz
worth 50 percent.**

**Nothing. None of the content of this course
has value or meaning
Take as many days off as you like:
any activities we undertake as a class
I assure you will not matter either to you or me
and are without purpose**

Everything. A few minutes after we began last time
a shaft of light suddenly descended and an angel
or other heavenly being appeared
and revealed to us what each woman and man must do
to attain divine wisdom in this life and
the hereafter
This is the last time the class will meet
before we disperse to bring the good news to all people
on earth.

Nothing. When you are not present
how could something significant occur?

Everything. Contained in this classroom
is a microcosm of human experience
assembled for you to query and examine and ponder
This is not the only place such an opportunity has been
gathered

but it was one place

And you weren't here

Vice President's Report – (*Donna Meester*) Donna Meester is in Theater and Dance costume design and follows Seth Panitch as Faculty Senate Vice President. Donna is appreciative of the opportunity to serve in the Faculty Senate.

Dr. Robert Riter was unanimously re-elected as Faculty Senate Parliamentarian.

Secretary's Report – (*Rona Donahoe*) Lists of the newly assigned Faculty Senate Standing Committees and the Faculty Senate University Standing Committee representatives were reviewed and approved following corrections and additional assignments. (attached)

Paul Horwitz and Meredith Bagley commented that building relationships, voicing academic related concerns, taking issues back to their constituents and being involved in day-to-day communication with University officials were advantages of serving in the Faculty Senate.

Past President Clark Midkiff commented that the senators can make of their service in the Faculty Senate as much or as little as they wish and that participation in the Senate is a great way to learn how the University works.

Student Affairs - Melondie Carter reported concerning BamaCash card security issues. The dollar amount remaining on the card will no longer be vocally announced in a place of business.

There was discussion concerning University policy regarding graphic and obscene images on the Quad. This issue was referred to the Student Affairs Committee.

The notice of mandatory training for “Child Protection Policy”, “Hazard Communication: An Employee’s Right to Know” and “Introduction to Hazard Communication: Right to Know” raised some issues. President Miller will speak with the Provost regarding these concerns.

Reuben Cook reported the parking complaints expressed by senators have been forwarded to **Parking and Transportation Committee**.

Academic Affairs – John Vincent stated progress is being made on Faculty Handbook revisions. The HU 197 issue will be reviewed in a meeting on Thursday.

Each Faculty Senate committee went to an assigned space to elect co-chairs.

Meeting adjourned 4:45 P.M.
