

## CAMPUS MASTER PLAN COMMITTEE

**DUTIES:** Advise the President and the University administration on the implementation, revision, and updating of the Campus Master Plan and Campus Landscape Master Plan; review proposed additions and changes to campus physical facilities, particularly for their adherence to the planning and development guidelines established in the Campus Master Plan; and submit recommendations for appropriate action to be taken on these proposals.

**COMPOSITION:** This committee, consisting of up to eighteen members, shall include seven faculty, representatives of the staff and local community, and a representative of the Faculty Senate. There shall be three student representatives; one who lives off campus, one who lives in a residence hall, and one who lives in a fraternity or sorority house. Consideration shall be given to geographic locations on campus in selecting University membership. Included in the membership in an ex officio capacity are the following: Academic Affairs Representative, Student Government Association Representative, Associate Director of Housing and Residential Life.

In addition, the following shall serve in a liaison capacity: Chairperson of Parking and Traffic Regulations Committee; Representative from Office of University Advancement; Director of Planning, City of Tuscaloosa; Assistant to the President; Director of Facilities Planning and Design Services; Assistant to the Provost/Academic Vice President; and Land Manager.

**REPORTING CHANNEL:** Provost/Academic Vice President
