Roll call and quorum check by Clark Midkiff.

The March 28, 2006 Faculty Senate minutes were approved.

John Vincent, President of the Faculty Senate, welcomed the newly elected senators to their first meeting. An apology was expressed for the late notice of the meeting due to very slow election response of colleges and schools. The Senate is still short six senators due to this delayed response. The new officers of the Faculty Senate are John Vincent, President; Karen Steckol, Vice President; and Clark Midkiff, Secretary. John Vincent presented an engraved gavel and a special handmade book of poetry by Poet Laureate Billy Collins to the outgoing Faculty Senate President Mathew Winston in appreciation of his service during 2005-06. In return Mathew presented John with a gavel for his upcoming year as president.

The next item was Faculty Senate approval of the Senate committee assignments and the University standing committee assignments. Both were approved unanimously. Dee Goldston was unanimously elected to serve as Faculty Senate Parliamentarian. Keith Woodbury was unanimously voted to continue as the Faculty Senate Webmaster.

John Mason as co-chair of the Faculty and Senate Governance Committee conducted the CUC election. Nominees were Anne Edwards of Libraries nominated by Marcia Barrett and Jeanette Vandermeer of Nursing nominated by Karen Steckol. There were no nominations from the floor. Jeanette Vandermeer was elected.

The Senate committees gathered in separate meetings to elect co-chairs and discuss issues to be addressed in the coming year. The results are attached to these minutes.

President's Report – (*John Vincent*) John Vincent introduced Linda Knowles, Administrative Secretary to the Faculty Senate. The Faculty Senate office is located in #32 Bidgood. Email address is <u>lknowles@cba.ua.edu</u>. Presidential duties after a few weeks in office have included attending the UA Board of Trustees meeting, meetings with the Provost and conducting regular business of the Senate. If there are any problems or questions, feel free to contact President John Vincent.

Vice President's Report – (*Karen Steckol*) No report.

Secretary's Report – (*Clark Midkiff*) No report.

Reports from Senate Committees –

Academic Affairs – (*Marcia Barrett & John Vincent*) This committee has been in the process of reviewing the Faculty Handbook. Changes and deletions of factual information such as addresses and phone numbers were made.

Faculty Life – (*Steve Shepard & Nick Stinnet*) No report. The charge for this committee for the coming year will be to continue to investigate the two-percent PEEHIP issue. Those retiring with less than twenty-five years of service will have to pay two percent extra of the University's contribution toward PEEHIP for every year short of the twenty-five years. Those hired mid-career may not be aware of this situation.

Financial Affairs – (*Jeanette Vandermeer & Jim Hall*) There is a planned meeting with the Executive Committee of the Resources and Priorities Committee to discuss the assignments and responsibilities of each committee. There was further discussion of the budget.

Research & Service – (*Clark Midkiff & Dee Goldston*) – The Senate last year mentioned to the Provost that there was interest in establishing an advisory committee for the Office of Research. The Research Advisory Committee distributes grants. A new Research Advisory Committee to advise the Office of Research will be established and the existing Research Advisory Committee will be renamed the Research Grants Committee. The Associate Vice President for Research has been serving as the chair for the Animal Care and Use Committee and the IRB medical and non-medical committees. This chair position was to be filled by the Associate Vice President for Research for one year only. Since this time period is past, a new chairperson should be named by this fall. There will be faculty representation on the Technical Transfer Committee. There has been no faculty representation in the past on this committee. These actions will take place due to the hard work done by the members of the Senate Research and Service Committee and other Faculty Senate members.

Faculty & Senate Governance – (*John Mason & Kim Andrus*) - Under the guidance of the Faculty and Senate Governance Committee, several elections have been held. Scott Hestevold of the Philosophy Department was elected Ombudsperson. The charge for this committee for the coming year includes reviewing the Faculty Senate bylaws. The bylaws state that new senator orientation should take place the first Tuesday of April. The majority of new senators were not known at that time so it was impossible to hold an orientation meeting. Committee assignments were delayed also. Another issue in the bylaws to be reviewed is the number of senators required in the bylaws to serve on senate

committees. The number of senators from each college/school fluctuates. At the present time there are more senators required to serve on the senate committees than there are senators.

Student Affairs – (*Priscilla Davis & Karen Burgess*) This committee was charged to look into the issue of the political organization of the SGA in light of recent revelations about the "machine".

Legislative Agenda Committee – (*Margaret Garner*) The Legislative Agenda Committee promotes advocacy for higher education issues. This committee promotes Higher Education Day held in Montgomery, Alabama in March. Student leaders are trained on every campus across the state. Legislative breakfasts are held with candidates and legislators speaking at the meetings. Collaboration of leadership of research institutions was successful this past year. This leadership is addressing the issue of the difference in the cost of education in a research institution. Maintaining dialog with legislators will also be a priority of this committee.

Old Business – A fund has been set up in the Academic Affairs and Student Affairs Offices for rental fees charged by Ferguson Center for meeting space. Those funds will be available for activities such as student recruiting activities. The SGA passed a resolution requesting that the Faculty Senate be permitted to meet in Ferguson Center without the charge of rental fees. The Faculty Senate will continue to meet in Shelby Hall.
