The BAMA Experience

Our Vision – Your Future

The campus master plan for our university embodies a visionary outlook that seeks to create a campus community that is highly connected, collaborative, inclusive, and safe. The plan seeks to create an environment that fosters innovation and discovery, enabling students, faculty, and staff to reach their full potential. In short, the 2023 UA Master Plan aims to create The Bama Experience.

Connection &
Collaboration

Innovation &
Discovery

Safety &
Well-Being

The Bama Experience is more than just attending classes or working at our university. It is a vision that will serve as a guide for the future growth and development of our university, creating a dynamic and innovative academic community that is grounded in these core values. By embracing The Bama Experience, students, faculty, and staff can unlock their full potential and become part of a thriving, connected campus community.
