

Faculty Senate of The University of Alabama
Resolution for the Addition of Student Resources Section to Syllabus Template

WHEREAS, The Faculty Senate acknowledges the importance of supporting students in their academic endeavors and fostering a conducive learning environment, and

WHEREAS, Recognizing that students may face various challenges during their academic journey and may require access to resources for support and assistance, and

WHEREAS, Understanding that clear communication of available resources can enhance student success and well-being.

THEREFORE, BE IT RESOLVED, that the Faculty Senate at The University of Alabama strongly supports the addition of a dedicated "Student Resource Section" to the default syllabus template provided to faculty. The Student Resource Section should include a dynamic link to the [Division of Student Life website](#) which maintains up-to-date information on a variety of resources available to students, including but not limited to academic support, mental health and wellness resources, crime prevention and reporting, and accessibility services.
